STAFF SUMMARY REPORT

AGENDA ITEM NUMBER: 4.3

DATE: May 7, 2024 PREPARED BY: David Sargenti

SUBJECT: Update Job Description for Division Chief

ISSUE AND STAFF REPORT

In January of 2023 the Division Chief job description was updated to reflect the alinement of all Chief Officer responsibilities. At that time ancillary management responsibilities of the District's apparatus and support vehicle maintenance (Fleet), Urban Search and Rescue (US&R) and Safety were assigned to specific Division Chief positions. To provide succession planning and flexibility, staff is requesting the ancillary assignments to be stand alone and not tied to a specific Division Chief position. The Fire Chief will determine, based on employee development and District need, the assignment of the ancillary management responsibilities to Division Chiefs.

RECOMMENDATION

Adopt the new job description for Division Chief.

<u>ATTACHMENTS</u>

- 1. Redline Division Chief Job Description.
- 2. Draft Clean Division Chief Job Description.

STAFF SUMMARY REPORT

AGENDA ITEM NUMBER: 6.1

DATE: May 1, 2024 PREPARED BY: David Sargenti

SUBJECT: Resolutions for EMS and East Garrison Special Taxes

ISSUE AND STAFF REPORT

The County of Monterey requires that each year Cities and Agencies with assessment bonds, user fees, or special assessments pass certification resolutions to ensure that Proposition 218 provisions are being addressed. The resolutions also must contain a hold harmless and indemnification provision for administrative expenses of the County which are associated with the collection of our special assessments and taxes. For the Carmel Valley EMS special tax, we are required to submit two resolutions, one for the secured tax roll (Resolution 2024-14) and one for the unsecured tax roll (Resolution 2024-15). The East Garrison special tax (Resolution 2024-16), only a single resolution is required.

RECOMMENDATION

- 1. Adopt resolution 2024-14, a resolution certifying compliance with State Law with respect to the levying of general and special taxes, assessments and property related fees and charges on the secured property tax roll for the Carmel Valley EMS tax; and
- Adopt resolution 2024-15, a resolution certifying compliance with State Law with respect to the levying of general and special taxes, assessments and property related fees and charges on the unsecured property tax roll for the Carmel Valley EMS tax; and
- 3. Adopt resolution 2024-16, a resolution certifying compliance with State Law with respect to the levying of general and special taxes, assessments and property related fees and charges on the secured property tax roll for the East Garrison special tax.

STAFF SUMMARY REPORT

AGENDA ITEM NUMBER: 6.2

DATE: April 15, 2024 PREPARED BY: David Sargenti

SUBJECT: Tax Anticipation Loan for fiscal year 2024/2025

ISSUE AND STAFF REPORT

Each year the Fire District requests from the County a Tax Anticipation Loan for the coming fiscal year. The purpose of the Tax Anticipation loan is to mitigate any cash flow issues that may arise from the timing of receipt from the District's December and April tax collection and disbursement of salary, benefit, and operational expenses.

The County has a specific process for requesting a Tax Anticipation Loan which requires a resolution and specific request documentation. The loan is automatically repaid to the County with half repaid in January and the remaining half repaid in May.

RECOMMENDATION

- 1. Adopt resolution 2024-17, a resolution requesting a temporary transfer of funds (Tax Anticipation Loan); and
- 2. Direct the President of the Board to execute the temporary transfer of funds request.

RESOLUTION 2024-17

RESOLUTION REQUESTING A TEMPORARY TRANSFER OF FUNDS (TAX ANTICIPATION LOAN)

WHEREAS the Board of Directors of the Monterey County Regional Fire Protection District of Monterey County finds that, until its tax revenue is received, it will not have sufficient funds to pay its obligations incurred for maintenance purposes in the current fiscal year, and

WHEREAS its funds are in the custody of the treasurer of the County of Monterey and are paid out solely through this office;

NOW, THEREFORE BE IT RESOLVED that pursuant to Article 13, Section 25 of the California Constitution, the treasurer of the County of Monterey is requested to make a temporary transfer to said district, from the funds in his custody, in the sum of \$8,000,000.00, which is necessary to provide funds for meeting obligations incurred for maintenance and operation purposes by said district, to wit:

NOW, THEREFORE BE IT FURTHER RESOLVED that President Dahle is authorized and directed to make and sign a request for said transfer and to send a certified copy of the resolution to the county treasurer.

STAFF SUMMARY REPORT

AGENDA ITEM NUMBER: 6.3

DATE: May 9, 2024 PREPARED BY: David Sargenti

SUBJECT: Establishing the Appropriations Limit for fiscal year 2024/2025

ISSUE AND STAFF REPORT

Following the passage of Proposition 13 in 1979, the California Constitution was amended, as detailed originally in Proposition 4 (1979) and Proposition 111 (1990) to limit the growth of government spending by imposing an appropriations limit to all government entities. Article XIII B, of the California Constitution, provides the framework for the formula that must be applied each year to set the new appropriations limit for government agencies. Once the limit is set, the agency may not appropriate any proceeds of taxes received in excess of the Appropriations Limit of the agency.

The appropriations limit base year was established in fiscal year 1986/1987 by the sum of the appropriations subject to limitations for that year. For subsequent years the Article XIII B formula is applied, and the appropriations increases or decreases accordingly. There are two factors that are utilized within the Article XIII B formula which are the inflation percentage and population percentage, both of which are provided by outside sources to the District. There are a couple of factors that can and have affected the District's Appropriations Limit through the years. These include annexations, detachments, and consolidations. When these situations occur, additional calculations are utilized to increase or decrease the Appropriations Limit.

For fiscal year 2024/2025 the District Appropriations limit is \$21,647,141.12.

RECOMMENDATION

Approve Resolution 2024-18 a Resolution establishing the Monterey County Regional Fire Protection District appropriations limit for fiscal year 2024/2025 under Article XIII B of the California Constitution and establishing the period for contesting such limits.

<u>ATTACHMENTS</u>

- 1. Draft Resolutions 2024-18.
- 2. Updated MCRFD Appropriations Limit Ledger and supporting documentation.
- 3. Department of Finance Price Factor and Population Information letter April 30, 2024.

BEFORE THE BOARD OF DIRECTORS OF THE MONTEREY COUNTY REGIONAL FIRE PROTECTION DISTRICT

RESOLUTION NO. 2024-18

RESOLUTION ESTABLISHING MONTEREY COUNTY REGIONAL FIRE PROTECTION DISTRICT APPROPRIATIONS LIMIT FOR FISCAL YEAR 2024-2025 UNDER ARTICLE XIII-B OF THE CALIFORNIA CONSTITUTION AND ESTABLISHING THE PERIOD FOR CONTESTING SUCH LIMITS

WHEREAS Article XIII B of the California Constitution provides that the State and each local government shall be subject to an annual appropriation limit as defined in that Article; and

WHEREAS Article XIII B Section 8(e)(2) requires the Governing Body to select the change in cost of living methodology each year by recorded vote, and

WHEREAS the percentage change in the California per capita income and the percentage change in the population within the County provides the greatest result.

NOW, THEREFORE, BE IT RESOLVED that the Monterey County Regional Fire Protection District selects the California per capita income and the percentage change in population within the County methodology for use in calculating its appropriation limit for Fiscal Year 2024-2025.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the appropriations limit for the Monterey County Regional Fire Protection District for Fiscal Year 2024-2025 is hereby established as **\$21,647,141.12** and that such appropriations limit may be adjusted at a later date in accordance with Sections 3 and 11 of Article XIII B of the California Constitution; and

No action or proceeding shall be brought, the purpose of which is directly or indirectly to attack, review, set aside, void or annul the appropriations limit established by this resolution unless such action or proceeding shall have been filed and served on the District within forty-five (45) days from the date of this resolution is adopted in accordance with Division 9 of the Government Code.

Dear Fiscal Officer:

Price Factor and Population Information

Appropriations Limit

California Revenue and Taxation Code section 2227 requires the Department of Finance to transmit an estimate of the percentage change in population to local governments. Each local jurisdiction must use their percentage change in population factor for January 1, 2024, in conjunction with a change in the cost of living, or price factor, to calculate their appropriations limit for fiscal year 2024-25. Attachment A provides the change in California's per capita personal income and an example for utilizing the factors to calculate the 2024-25 appropriations limit. Attachment B provides the city and unincorporated county population percentage change. Attachment C provides the population percentage change for counties and their summed incorporated areas. The population percentage change data excludes federal and state institutionalized populations and military populations.

Population Percent Change for Special Districts

Some special districts must establish an annual appropriations limit. California Revenue and Taxation Code section 2228 provides additional information regarding the appropriations limit. Article XIII B, section 9(C) of the California Constitution exempts certain special districts from the appropriations limit calculation mandate. Special districts required by law to calculate their appropriations limit must present the calculation as part of their annual audit. Any questions special districts have on this requirement should be directed to their county, district legal counsel, or the law itself. No state agency reviews the local appropriations limits.

Population Certification

The population certification program applies only to cities and counties. California Revenue and Taxation Code section 11005.6 mandates Finance to automatically certify any population estimate that exceeds the current certified population with the State Controller's Office. Finance will certify the higher estimate to the State Controller by June 1, 2024. Please note: The prior year's city population estimates may be revised. The per capita personal income change is based on historical data.

If you have any questions regarding this data, please contact the Demographic Research Unit at (916) 323-4086.

A. **Price Factor**: Article XIII B specifies that local jurisdictions select their cost of living factor to compute their appropriation limit by a vote of their governing body. The cost of living factor provided here is per capita personal income. If the percentage change in per capita personal income is selected, the percentage change to be used in setting the fiscal year 2024-25 appropriation limit is:

Per Capita Personal Income

Fiscal Year	Percentage change
(FY)	over prior year
2024-25	3.62

B. Following is an example using sample population change and the change in California per capita personal income as growth factors in computing a 2024-25 appropriation limit.

2024-25:

Per Capita Cost of Living Change = 3.62 percent Population Change = 0.17 percent

Per Capita Cost of Living converted to a ratio: 3.62 + 100 = 1.0362

100

Population converted to a ratio: 0.17 + 100 = 1.0017

100

Calculation of factor for FY 2024-25: 1.0362 x 1.0017 = 1.0379

STAFF SUMMARY REPORT

AGENDA ITEM NUMBER: 6.4

DATE: May 1, 2024 PREPARED BY: David Sargenti

SUBJECT: Preliminary Budget for fiscal year 2024/2025

ISSUE AND STAFF REPORT

The law requires that the District adopt a preliminary budget on or before June 30th of each year. This allows us to continue to receive and expend funds to support the Districts personnel and operations. As is past practice, the final fiscal year 23/24 budget has been rebranded into the preliminary budget for fiscal year 24/25.

Work has begun on the draft fiscal year 24/25 budget and staff is preparing to present this at your July 30th Board meeting.

RECOMMENDATION

- 1. Adopt the Preliminary Budget for fiscal year 2024/2025, and
- 2. Direct the Fire Chief to publish the required notice for adoption of the final budget to be held at the Administrative Office Board Room on July 30, 2024.

STAFF SUMMARY REPORT

AGENDA ITEM NUMBER: 6.5

DATE: May 20, 2024 PREPARED BY: David Sargenti

SUBJECT: Retention of Clifton Larson Allen LLP for the District's 2023/2024 fiscal audit

ISSUE AND STAFF REPORT

Clifton Larson Allen LLP (CLA) has provided the District with auditing services for a number of years as the former Hayashi and Wayland CPA. Staff has reviewed the Statement of Work from CLA to provide our auditing services for the fiscal year 2023/2024. The principal point of contact for our audit has changed to Ms. Daphnie Munoz. Ms. Munoz specializes in government contracts and leads the team of professionals that we have worked with in the past. Mrs. Autumn Rossi, who has been our point for many years, will continue to be available through the firm.

The cost proposed for the fiscal year 23/24 audit is \$29,500.00. This is a 6.8% increase when compared to last year's costs.

RECOMMENDATION

Receive report, discuss and direct the Fire Chief to execute the necessary document to employ Clifton Larson Allen LLP for Fire District's 2023/2024 fiscal audit.

<u>ATTACHMENTS</u>

Statement of Work – Audit Services from Clifton Larson Allen LLP dated May 14, 2024.

Statement of Work - Audit Services

May 14, 2024

This document constitutes a statement of work ("SOW") under the master service agreement ("MSA") dated May 3, 2023, or superseding MSA, made by and between CliftonLarsonAllen LLP ("CLA," "we," "us," and "our") and Monterey County Regional Fire Protection Dist ("you," "your," or "the entity"). We are pleased to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the services CLA will provide for the entity as of and for the year ended June 30, 2024.

Daphnie Munoz is responsible for the performance of the audit engagement.

Scope of audit services

We will audit the financial statements of the Financial Statements, which collectively comprise the basic financial statements of Monterey County Regional Fire Protection Dist, and the related notes to the financial statements as of and for the year ended June 30, 2024.

The Governmental Accounting Standards Board (GASB) provides for certain required supplementary information (RSI) to accompany the entity's basic financial statements.

Management has elected to omit the presentation of RSI.

We will also evaluate and report on the presentation of the supplementary information other than RSI accompanying the financial statements in relation to the financial statements as a whole.

Nonaudit services

We will also provide the following nonaudit services:

- · Preparation of your financial statements and the related notes.
- · Preparation of the supplementary information.
- · Preparation of depreciation schedules.

Audit objectives

The objectives of our audit of the financial statements are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion about whether your financial statements are fairly

presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Our audits will be conducted in accordance with U.S. GAAS. Those standards require us to be independent of the entity and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. Our audit will include tests of your accounting records and other procedures we consider necessary to enable us to express such opinions.

We will apply certain limited procedures to the RSI in accordance with U.S. GAAS. However, we will not express an opinion or provide any assurance on the RSI because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. We will also perform procedures to enable us to express an opinion on whether the supplementary information (as identified above) other than RSI accompanying the financial statements is fairly stated, in all material respects, in relation to the financial statements as a whole.

We will issue a written report upon completion of our audit of your financial statements.

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph to our auditors' report, or if necessary, withdraw from the engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming opinions on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express opinions or issue a report, or withdrawing from the engagement.

Auditor responsibilities, procedures, and limitations

We will conduct our audit in accordance with U.S. GAAS.

Those standards require that we exercise professional judgment and maintain professional skepticism throughout the planning and performance of the audit. As part of our audit, we will:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and evaluate whether audit evidence obtained is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the amounts and disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on our evaluation of audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

Although our audit planning has not been concluded and modifications may be made, we have identified the following significant risk(s) of material misstatement as part of our audit planning:

- Management override of controls
- Revenue recognition

There is an unavoidable risk, because of the inherent limitations of an audit, together with the inherent limitations of internal control, that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with U.S. GAAS. Because we will not perform a detailed examination of all transactions, material misstatements, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity, may not be detected.

In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management and those charged with governance of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management and those charged with governance of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Management responsibilities

Our audit will be conducted on the basis that you (management and, when appropriate, those charged with governance) acknowledge and understand that you have certain responsibilities that are fundamental to the conduct of an audit.

You are responsible for the preparation and fair presentation of the financial statements and RSI in accordance with U.S. GAAP.

Management's responsibilities include the selection and application of accounting principles; recording and reflecting all transactions in the financial statements; determining the reasonableness of significant accounting estimates included in the financial statements; adjusting the financial statements to correct material misstatements; and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for 12 months beyond the financial statement date.

Management is responsible for including all informative disclosures that are appropriate for the Modified Cash basis of accounting. Those disclosures will include (a) a description of the Modified Cash basis of accounting, including a summary of significant accounting policies, and how the Modified Cash basis of accounting differs from U.S. GAAP; (b) informative disclosures similar to those required by U.S. GAAP; and (c) additional disclosures beyond those specifically required that may be necessary for the financial statements to achieve fair presentation.

You are responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities and safeguarding assets. You are responsible for the design, implementation, and maintenance of internal controls to prevent and detect fraud; assessing the risk that the financial statements may be materially misstated as a result of fraud; and for informing us about all known or suspected fraud affecting the entity involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws and regulations, and informing us of all instances of identified or suspected noncompliance whose effects on the financial statements should be considered.

You are responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including amounts and disclosures, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters, and for the accuracy and completeness of that information (including information from within and outside of the general and subsidiary ledgers); (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

You agree to inform us of events occurring or facts discovered subsequent to the date of the financial statements that may affect the financial statements.

Management is responsible for the preparation of the supplementary information in accordance with U.S.

GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. You agree to provide us written representations related to the presentation of the supplementary information.

Management is responsible for providing us with a written confirmation concerning representations made by you and your staff to us in connection with the audit and the presentation of the basic financial statements and RSI. During our engagement, we will request information and explanations from you regarding, among other matters, the entity's activities, internal control, future plans, specific transactions, and accounting systems and procedures. The procedures we will perform during our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the representations that we receive in the representation letter and otherwise from you. Accordingly, inaccurate, incomplete, or false representations could cause us to expend unnecessary effort or could cause a material fraud or error to go undetected by our procedures. In view of the foregoing, you agree that we shall not be responsible for any misstatements in the entity's financial statements that we may fail to detect as a result of misrepresentations made to us by you.

Responsibilities and limitations related to nonaudit services

For all nonaudit services we may provide to you, management agrees to assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services; and accept responsibility for the results of the services.

Management is also responsible for ensuring that your data and records are complete and that you have received sufficient information to oversee the services.

Use of financial statements

Should you decide to include or incorporate by reference these financial statements and our auditors' report(s) thereon in a future private placement or other offering of equity or debt securities, you agree that we are under no obligation to re-issue our report or provide consent for the use of our report in such a registration or offering document. We will determine, at our sole discretion, whether we will re-issue our report or provide consent for the use of our report only after we have performed the procedures we consider necessary in the circumstances. If we decide to re-issue our report or consent to the use of our report, we will be required to perform certain procedures including, but not limited to, (a) reading other information incorporated by reference in the registration statement or other offering document and (b) subsequent event procedures. These procedures will be considered an engagement separate and distinct from our audit engagement, and we will bill you separately. If we decide to re-issue our report or consent to the use of our report, you agree that we will be included on each distribution of draft offering materials and we will receive a complete set of final documents. If we decide not to re-issue our report or decide to withhold our consent to the use of our report, you may be required to engage another firm to audit periods covered by our audit reports, and that firm will likely bill you for its services. While the successor auditor may request access to our workpapers for those periods, we are under no obligation to permit such access.

If the parties (i.e., you and CLA) agree that CLA will not be involved with your official statements related to municipal securities filings or other offering documents, we will require that any official statements or other offering documents issued by you with which we are not involved clearly indicate that CLA is not involved with the contents of such documents. Such disclosure should read as follows:

CliftonLarsonAllen LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. CliftonLarsonAllen LLP also has not performed any procedures relating to this offering document.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website or submitted on a regulator website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information in the electronic site with the original document.

We may issue preliminary draft financial statements to you for your review. Any preliminary draft financial statements should not be relied on or distributed.

Engagement administration and other matters

We understand that your employees will prepare all confirmations, account analyses, and audit schedules we request and will locate any documents or invoices selected by us for testing. A list of information we expect to need for our audit and the dates required will be provided in a separate communication.

Professional standards require us to be independent with respect to you in the performance of these services. Any discussion that you have with our personnel regarding potential employment with you could impair our independence with respect to this engagement. Therefore, we request that you inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence and objectivity. Further, any employment offers to any staff members working on this engagement without our prior knowledge may require substantial additional procedures to ensure our independence. You will be responsible for any additional costs incurred to perform these procedures.

Our audit engagement ends on delivery of our signed report. Any additional services that might be requested will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific SOW for that service.

FeesOur professional fees are outlined in the table below:

Service	Fee
Financial Statement Audit	\$29,500

Implementation of the New Risk Auditing Standards which includes an increase in information technology testing	At our standard rates of work		
Total			

We will also bill for expenses including travel, internal and administrative charges, and a technology and client support fee of five (5%) of all professional fees billed. Our fee is based on anticipated cooperation from your personnel and their assistance with locating requested documents and preparing requested schedules. If the requested items are not available on the dates required or are not accurate, the fees and expenses will likely be higher.

Unexpected circumstances

We will advise you if unexpected circumstances require significant additional procedures resulting in a substantial increase in the fee estimate.

Changes in accounting and audit standards

Standard setters and regulators continue to evaluate and modify standards. Such changes may result in new or revised financial reporting and disclosure requirements or expand the nature, timing, and scope of the activities we are required to perform. To the extent that the amount of time required to provide the services described in the SOW increases due to such changes, our fee may need to be adjusted. We will discuss such circumstances with you prior to performing the additional work.

Agreement

We appreciate the opportunity to provide to you the services described in this SOW under the MSA and believe this SOW accurately summarizes the significant terms of our audit engagement. This SOW and the MSA constitute the entire agreement regarding these services and supersedes all prior agreements (whether oral or written), understandings, negotiations, and discussions between you and CLA related to audit services. If you have any questions, please let us know. Please sign, date, and return this SOW to us to indicate your acknowledgment and understanding of, and agreement with, the arrangements for our audit of your financial statements including the terms of our engagement and the parties' respective responsibilities.

Sincerely,

CliftonLarsonAllen LLP

STAFF SUMMARY REPORT

AGENDA ITEM NUMBER: 6.7

DATE: May 18, 2024 PREPARED BY: David Sargenti

SUBJECT: District Revenue--SLP tax transfer proposal

ISSUE AND STAFF REPORT

SLP Tax transfer proposal

In May of 2023, I began a discussion with the Monterey County Assistant CAO, Mr. Nick Chiulos, about the inequitable share (9%) of property taxes the Fire District receives within the tax rate areas (TRA's) of the Santa Lucia Preserve (SLP). At that time, the SLP was in the process of developing the Mello-Roos tax to support 24-hour staffing at the SLP fire station. We discussed the desires of the Fire District to staff the SLP fire station with two personnel and the need for additional tax increment to support this desire. Mr. Chiulos discussed this concept with Monterey County CAO Sonia Dela Rosa and requested a formal letter be drafted defining our proposal which would increase the Fire District share of the total property tax to 13.3% aligning more closely with similar TRA's in the vicinity. This adjustment would increase the Fire District tax increment by \$405K while decreasing the County's share accordingly. On August 24, 2023 a letter was sent to Mr. Chiulos explaining our request and providing justification for our proposal. Mr. Chiulos and I have been in frequent communication regarding this item as he held meetings with the CAO, County Finance Staff, County Auditor and Controller, and County Supervisor Mary Adams. There have been a few follow-up requests regarding adjoining TRA's increment, District wide increment values, and details of the SLP Mello-Roos which were quickly provided. Additionally, there were discussions with SLP management, both by the County and myself, and inquiries surrounding Proposition 172 funding. I was contacted by Mr. Chiulos on May 16th who indicated that through the discussion with the CAO, County staff and County Supervisor Adams the County would not agree to the proposal. He indicated the loss of revenue to the County, current County budget deficits, and the precedence of this type of adjustment being the main reasons the proposal could not be supported. Attached is the August 24, 2024 letter and proposal along with the County's May 21, 2024 response.

In future Board meetings, additional topics revolving around District Revenue will be discussed. These include impacts from the Education Revenue Augmentation Fund (ERAF) in both annual losses and legacy annexation formulas, and Payment in Lieu of Taxes (PILT) funding for federal properties that don't pay property taxes such as the Fort Ord National Monument.

RECOMMENDATION

Review, discuss and file report.

Re;

Santa Lucia Preserve Tax transfer proposal

Nich

Mr. Chiulos.

This communication is the continuation of discussions and formalization of a proposed tax transfer between the County of Monterey and the Monterey County Regional Fire Protection District for the tax rate areas encompassing the Santa Lucia Preserve community. The Santa Lucia Preserve Community Services District (CSD) and Santa Lucia Community residents and owners have requested an increase of daily single firefighter staffing at the Santa Lucia Fire Station from 8 hours per day to 24-hour coverage. This request stems from the community's desire for continuous emergency medical and fire response capability to support the residents and properties. Moreover, this staffing increase is expected to aid in homeowner insurance retention and potentially reducing insurance costs.

Progress toward this goal is already underway. The CSD is currently upgrading the fire station to include facilities for firefighters, such as sleeping quarters, shower, laundry and cooking facilities. Additionally, the CSD is finalizing an election to implementing a mello-roos tax to cover the fiscal requirements associated with the staffing increase. This tax will assess each parcel (over \$1,000 annually) and the club facilities (over \$70,000 annually) to fund the presence of a firefighter 24/7. The Fire District has a January 1st target date for implementation the increase in staffing at the SLP fire station.

Our primary objective within the Fire District and our Firefighter Association is to eliminate single-person staffing at any of our fire stations as it is extremely dangerous and limiting in our ability to effectively respond, engage, mitigate and manage emergencies safely until additional resources arrive from other stations. The nearest one being, the Mid Valley Station, located on Carmel Valley Road, 20 minutes away. To achieve this goal, we propose a tax transfer between the County and Fire District increasing the tax increment allocated to the Fire District within the Tax Rate Areas encompassing the SLP.

Currently, the Fire District receives just over 9% (\$850K) of the taxes compared to the County's 35% (\$3.1M). Utilizing our established tax transfer formula, which uses the Fire District's current increment in each TRA, we anticipate an average increase of 4.29%. This adjustment

would raise the Fire District's share to 13.3% and the County to 30.98%, aligning more closely with similar TRA's in the vicinity. This change would increase the Fire District share by \$405K while decreasing the County's share accordingly.

It is important to note that the Fire District is the sole governmental agency directly serving this community, yet we received a disproportionately small portion of the annual property taxes. This highlights the necessity of our request. We are committed to managing the community's expectations while prioritizing the safety of our personnel. Ultimately, our aim is to establish a fully staffed advanced life support engine company daily to protect the SLP community. This modification in tax allocation will bring us closer to achieving this goal.

I look forward to hearing your thoughts and continuing this dialog. Please feel free to reach out if you have any questions or concerns.

Stricerely

Denial of request for change in share of property tax increment re: Regional Fire/Santa Lucia Preserve

Good morning Chief Sargenti:

This email will serve as a follow up to the phone call I made to you on May 16, 2024. As I indicated, County CAO staff have reviewed the Fire District's request for a change in property tax increment distribution for the area of the Santa Lucia Preserve. The net effect of the request would be to increase the amount of tax increment to the District and a reduction in the amount of increment revenue flowing to the County.

The estimated revenue loss to the County from this proposal would be approximately \$450,000 per year. Although we understand the desire to provide increased fire and emergency medical service to the Preserve, CAO staff have concluded that we cannot support the Fire District request for the following reasons:

- 1. Property tax revenue is a "zero sum' situation. To reduce County revenue, already a scarce source for critical operational and program funding, would place unacceptable strains on the provision of essential County services elsewhere.
- 2. Granting this request would be precedent setting in a negative way from a policy perspective. There are numerous cities and special districts within Monterey County, each with their own specific and established set of tax rate areas and tax increment formulas. We believe that any adjustment of tax increment for one district, as proposed in this request, would very likely trigger other similar requests from any number of other local agencies. This would create an extremely complicated, long, expensive and politically charged situation given the reality, and our belief, that every local agency desires an additional share of property tax revenue.

Please let me know if you have any questions.

Thanks, Nick

Dear Chief Sargenti,

I want to express my gratitude to you and the Monterey County Regional Fire District for enabling Division Chief Justin Reyes to take part in our Battalion Chief Assessment on April 5.

Division Chief Reyes' extensive expertise and experience significantly enriched the assessment process. We are highly pleased with the outcome of the assessment and deeply appreciate his assistance.

Your department's support is invaluable to us. Should your agency ever need assistance, please do not hesitate to reach out. We would be more than willing to reciprocate.

With sincere appreciation,

Hello Chief: My wife has fallen twice in the last week and I had to call Emergency, Both times the firefighters from Toro Park Station responded to our home on Ranchito Del Rio Drive. Both times your men were kind, skilled, and very professional. Couldn't be better. My wife and I appreciate their help and nothing but high praise for your men .

Dear Chief Sargenti,

On behalf of Chief Klemek and the Salinas Fire Department, I would like to thank you and your personnel for your help on a very challenging incident. On May 2, 2024 we responded to a medical emergency for a bariatric patient in respiratory distress. The size of the patient created significant barriers to her medical care. The incident evolved into a prolonged event that required the help of several mutual aid partners.

Your crew on Ambulance 5566 responded to the scene collaborated with our personnel to establish a plan for moving the patient from her home to Community Hospital of the Monterey Peninsula. CH5502 followed the ambulance to the hospital as an added measure of safety. Chief Reyes also helped coordinate the plan to move the patient from the ambulance to the hospital bed. This entire operation spanned over ten hours and was executed without harm to the patient or the emergency responders.

I am truly thankful for the professional assistance that your personnel provided. This incident presented many challenges and could not have been completed without your help. Please extend my thanks to the following crews:

CH5502

Justin Reyes, Division Chief

Ambulance 5566

Dominic Ferrante, Firefighter/Parameidc

Ramon Haut, Firefighter/Paramedic

Sincerely,

Shane VanderVeen EMS Division Chief
